~ where did you go
I thought I knew you what did I know

you don't look different but you have changed
I'm your not the same

your lips are moving I can't hear
your voice is soothing but the words aren't clear

you don't sound different I've learned the game
~ your not the same

why tell me why did you not treat me right
you has a nasty habit of disappearing over night

your thinking of me the same old way
you were above me but not today

the only difference is yr not there

~ & your nowhere
